NOTICE TO ALL EMPLOYERS: INTRODUCTION OF THE E-PENSION CLEARANCE CERTIFICATE APPLICATION

Introduction

The National Pension Commission (the Commission) is pleased to announce the deployment of the e-Pension Clearance Certificate Application Portal, an automated platform designed to simplify and expedite Pension Clearance Certificates (PCC).

This development is part of the Commission's ongoing commitment to enhancing efficiency, transparency, and ease of doing business. Employers would be able to submit applications and print their PCC from the comfort of their offices.

Key Features:

- Convenient online submission
- Real-time tracking and update
- Reduced paperwork and wait times
- Enhanced security and data protection
- User-friendly interface

How to access:

- The e-Pension Clearance Certificate Application Portal is hosted on the Commission's website www.pencom.gov.ng
- Employers wishing to apply for PCC can access the application portal via the following link: <https://pcc.pencom.gov.ng>
- A comprehensive user manual is embedded within the application to guide users

Effective Date:

- The platform will be available to all employers from 31 October 2024.
- Transition Period: Hard copy and online applications will run concurrently from 31 October 2024 to March 2025.
- Employers are encouraged to begin transitioning to the electronic platform before the March 2025 deadline to benefit from the improved efficiency and convenience offered by the e-Pension Clearance Certificate Application.
